COMPANY HISTORY:

Freightworx ltd was incorporated in 2001 when a demand arose for airfreight cargo into northern Tanzania. Having serviced companies located around Lake Zone mines site, Freightworx ltd management decided to increase its service levels and incorporated other means of multi-model transport to assist its clientele. Freightworx ltd with the main office in Mwanza managed to open branches and have office to all major customs entry points in Tanzania. Freightworx ltd is a fully registered company with proper Tax compliance records and have been registered with all statutory body governing business registration and other compulsory association like pension funds and clearing and forwarding association in Tanzania. Enclosed are the copies of some of those certificates.

CLIENT PROFILES

Freightworx being familiar with the timely and demanding deliveries for the mining products and mining consumables, we have been working with the various mining servicing companied whom timely deliver is not an option. We are currently providing services for a respectable mining companies just to mention few:

ATLAS COPCO LTD/EPIROC DRILLING

- **Mwanza order**

We have been working with Atlas Copco Limited since early 2005 up to date. We are sole clearing agent for all Atlas Copco import and export shipment. Normally we and average of 5 – 7 orders per week via Mwanza airport. Road freight of at least 4 - 6 trucks (lose cargo) and 1 - 3 containers per week via Sirari Border. We also do their export entries to various destination many of these are exported via Sirari border Post.

- **Dar es Salaam orders**

An average of 3 – 5 orders per week via Dar International Airport, 3 -5 orders via sea freight per Month.

HYSPEC LIMITED

- **Mwanza Orders**

Hyspec are major supplier of Hose and fittings to the GGM, ACACIA (North Mara, Buzwagi & Bulyanhuru), CAPITA DRILL and others. We normally clear 5 - 7 orders per week via Mwanza Airport. We also have average of 2 sea freight shipment per Month which are cleared at Sirari Border from Mombasa Port. Through Tunduma Border we normal have 1 containers per month.

COMPANY PROFILE: FREIGHTWORX LTD

MINCON ROCK DRILLING

They are supplier of drilling tools (Rods, Bits), drilling fluids and chemicals to various Mining sub contracts companies. Due to the urgency most of their shipment are air freight mostly from South Africa and Canada. We are clearing 3 – 5 orders per week via Mwanza airport. Road freight is 1 containers per month. Vocationally we do clear at least 1 sea freight through Dar Port per every 3 months.

BAMBOO ROCK DRILLING

We have cleared 3 to 4 units or drilling Rigs via Sirari Border and various mining spares/consumables via Dar International Airport.

SPECIAL PROJECTS HANDLING

- **MOOLMAN MINING - GEITA**

Freightworx in Tanzania side (through Sirari and Mwanza Lake port) were appointed and granted a tender to mobilize the importation for the all Mining equipment's including excavators, drilling rigs and all other assorted mining equipment's and projects. This was around 2012 – 2014. In Kenya side the clearance was handled by SPEDAG INTERFREIGHT

- **TANESCO 60MW HEAVY FUEL OIL BASED POWER GENERATING PLANT AT NYAKATO MWANZA**

Freightworx Ltd in Tanzania side did mobilization for all those heavy duty machines/ Engine and all accessories for this project. Most of the items were entering Tanzania by road via Sirari Border and other heavy duty machine with abnormal weight and demotions were channeled through Mwanza Lake port from Kisumu Port – Kenya. This project was handled in between 2012 – 2015.

INTERNATIONAL SUPPLYING AGENT

We are also working with **AIRLAND LOGISTICS** as our supplying colleague/agents for collection, consolidating and forwarding HYSPEC LIMITED shipments for all Airfreight via Mwanza Airport and Sea freight shipment via Mombasa port. We are also working with them for the some of the CAPITAL DRILL and ATLAS COPCO export shipment. AIRAND LOGISTICS have our company in their data base and send us all pre alert for sea and Airfreight once they are ready for the HYSPEC shipments.
